#### Swipe Cards

Residents, please make sure that you always have your swipe cards when entering your residence hall. For security purposes, you are asked to show your specific residence hall swipe card to the desk assistants. To abide by our residence hall's policy, please be cooperative and patient and remember to always show the corresponding residence hall swipe card.

If your swipe card is lost or stolen, please come to your residence hall's front desk to fill-out a service request. Allow, up to 72 hours for your swipe card to arrive. After you have picked up the new swipe card, you will need to have the label printed at the SDSU Card Office, located in the lower level of the Aztec Center. If not done within 72 hours, the new swipe card will be deactivated. A new service request will be needed. If you have any questions, ask your residence hall front desk.
