The Tunnel of Oppression

Discrimination. Hate. Violence. Ignorance. Oppression. These are ugly words that exist in our society. The Residential Education Office invites you to a program entitled "The Tunnel of Oppression," aimed at fighting these issues on our campus and in our society.

The Tunnel of Oppression is a student production created and performed by SDSU students and staff. This is the 10th year that the Tunnel of Oppression is being presented here at SDSU. It is our hope that students, faculty and staff will go through the Tunnel and leave with a renewed sense of hope to make change happen.

The Tunnel of Oppression will take place:

Nov. 15	3 - 8 pm
Nov 16-18	4 - 9 pm

It will be located in the Tula Community Center next to Tenochca on the east side of campus. The Tunnel will have tours beginning approximately every 30 minutes, and is free for all campus community members who would like to attend. For more information, please contact the Office of Housing Administration at 619-594-5742.

(Sorry, but no reservations can be made)

Beginning Fall 2010, all admitted first-time-freshmen from outside the San Diego State University (SDSU) local service area will be required to live on campus. In addition, all first-time freshmen participants in the University Honors Program will be required to live on campus. The university continues to highly encourage all students to live on campus at least two years while studying at the university.
