

**SAN DIEGO EDUCATION FUND
FUTURE EDUCATORS PROGRAM**

Application Information

Purpose of the Future Educators Scholarship Program

The San Diego Unified School District faces a critical need for teachers. In particular, there is a need for teachers from underrepresented ethnic groups. Many bright students who show promise as prospective teachers cannot afford the expense of attending institutions of higher education. The purpose of the scholarship program is to recruit and provide incentives to attract promising high school students to the teaching profession.

Scholarship recipients who successfully complete degree and credential requirements will be given priority consideration for employment with the district dependent upon district need at the time of certification.

Minimum Requirements

To be eligible for a Future Educators Scholarship you must:

- Commit to teach in the San Diego Unified School District for at least three years
- Be graduating from a school in the San Diego Unified School District in the spring of 2008
- Be a United States citizen or have permanent residency status
- Attend a college or university in San Diego County
- Demonstrate financial need

Criteria for Selection

Selection will be based on your high school record, your application, recommendations, demonstrated community service or leadership skills, participation in extracurricular activities, and/or work experience. Financial need and membership in high school Future Educators clubs (FEA) will also be considerations. Following a review of application materials, a panel of representatives from the San Diego Education Fund will interview finalists.

Funding Level

Funding for recipients attending a local community college is \$1,000 per year. For those attending a local four-year university, funding is \$2,000 per year. Scholarships are renewable each year based on good academic standing and approved course of study.

A minimum of 25 scholarships will be awarded to students meeting the qualifications.
