

*** CLEP Testing -- Fall-Winter, 2009 ***

Testing for the College-Level Examination Program (CLEP) is now available at San Diego State University. Administered through the Office of Student Testing, Assessment and Research, all 34 exams are offered to SDSU students and applicants, the greater San Diego community, and active military (through the DANTES Program).

The CLEP program affords participants an opportunity to obtain college credit, satisfy course prerequisites, and/or meet general education requirements. Each college or university separately determines which exams it will accept, what credit will be granted, and what scores will be required. For the 2009-2010 academic year, SDSU will grant course credit for 33 out of the 34 exams (Please see the SDSU General Catalog for more information).

The CLEP exams are ninety minutes in length, multiple choice in nature, and administered by computer. Optional essays are available for several exams. For all exams except those involving an essay, the examinee will receive the results at the conclusion of the test.

CLEP exams are offered by prior appointment at the following times:

Mondays	10:00 AM and 2:00 PM
Tuesdays	10:00 AM and 2:00 PM
