

*** 2010 EPT-ELM Dates ***

San Diego State University will be offering the California State University English Placement Test (EPT) and the Entry Level Math Exam (ELM) on the following dates during 2010:

Saturday, January 16	Local scoring
Saturday, January 30	Sweetwater administration
Saturday, February 13	
Saturday, March 20	Statewide administration
Saturday, April 3	
Saturday, April 17	
Saturday, May 1	Statewide administration
Saturday, June 19	Statewide administration
Saturday, July 10	
Saturday, August 28	Local scoring
Saturday, November 13	

Dates marked “statewide administration” will be offered at all CSU campuses on that day. Other CSU campuses may offer dates in addition to the statewide administrations but may also limit registrations to their own applicants or students. The January 30 administration is limited to students in the Sweetwater Union High School District and those examinees must select either the EPT or the ELM, but not both, for that date.

With the exception of January 30, all SDSU administrations of the EPT/ELM are open to all, regardless of the campus to which the examinee attends or wishes to attend.

Subject to space availability, walk-in registrations on the day of the exam will continue to be accepted, but payment must be by exact change or check or money order made payable to “SDSU”.

Exam dates noted with “local scoring” are particularly designed for late admits and out-of-area applicants and the results will be available by the Wednesday following the test in addition to the official release from the Educational Testing Service.
